

Gabe Will
Product Designer

Overview

Hi! My name is Gabe. I'm a craft-first product designer with over 10 years of experience creating software for businesses of all sizes. I love learning about people and designing products that make their lives easier.

I live and work in sunny Berkeley, California, where I'm currently designing Engine's travel credit card offering for small businesses.

Education

University of South Carolina
BFA in Graphic Design, 2013

Skills

UX design, visual design, prototyping, research, design systems, facilitation, HTML/CSS

Experience

Engine, Sr. Staff Designer (2025 – present)

Helped Engine stand up new fintech vertical. Currently designing experiences for the Engine business travel card, including business-facing web app experiences and consumer-facing native app experiences. Focus has included card issuing, card management, spend controls, and data visualization.

Square, Design Lead (2020 – 2025)

Designed experiences to help customers run their businesses more successfully with Square Staff across products for web, native, and point of sale devices.

Performed qualitative and quantitative research, managed two direct reports, and mentored designers across the company.

Mailchimp, Sr. Product Designer
(2017 – 2019)

Designed CRM tools that help small businesses segment their contacts more intelligently, created high-performing ecommerce experiences, and helped create and drive adoption for Mailchimp's design system.

52inc, Product Designer (2012 – 2017)

Led design on over twenty iOS, Android, and web products for clients ranging from bootstrapped startups to household names.
